PLANTING TREES OR SHRUBS?

Remember, to plant a distance back from the street or property lines. As time goes by, a small tree or bush continues to grow, often becomes larger or fuller than planned. This can create a blocked clear line of sight at an intersection, or cause limbs to fall on adjoining property.

RESIDENT

UTILITY BILLS AND ONLINE BANKING

Many residents enjoy using online banking for bill payment, however some residents have accrued a late fee on their accounts. The late fees were a result of online bank processing procedures, incomplete information and insufficient mailing time. Your bank MUST print and mail a check, which must be received by the due date, not several days later. The check MUST note what is being paid, water, sewer or refuse. The entire amount of the check will be applied, if the check is printed for \$ 418.00, and should have been for \$ 41.80 the entire \$ 418.00 will be applied to your account. Online banking is easy and convenient, just be sure to check your bank's online banking procedures.

Snyrewsbury Township is considering hosting a Local Framers Market (different dates from New Freedoms), if interested in participating contact 717 235-0734 for more information.
